of Correction

Dear Sir:

It is requested that the attached Certificate of Correction be issued under 37 CFR 1.322 for the above-identified patent. These mistakes are apparently due to Patent Office printing errors.

Col. 13, line 31, replace the word "as" with is
Col. 13, line 36, the word at should be inserted before the word "least"
Col. 13, line 51, the word said should be inserted after the word "intermediate"
Col. 14, line 2, the words so as to pivot should be inserted after the word "counter-clockwise"

Correction of these mistakes is believed necessary to avoid ambiguity with respect to the patentees' disclosure and claims.

Respectfully submitted,

SHERMAN, ET AL.
